

## **A Letter from Ancient Greece**

Imagine that you are a child living in Ancient Greece. You can choose to live in Sparta or Athens. You will write a letter to a cousin who lives in the other ancient city-state (Sparta or Athens). In your letter you need to explain and give details about:

- Your daily life and lifestyle
- Your education
- Your future plans

Your letter should use good word choice to show your understanding of your society. To show your understanding of this ancient society, your letter should be about a written page long and include detailed examples and explanations.
